CAREER OBJECTIVE

To deepen my technical expertise in web development and the MERN stack by working on challenging, real-world projects. I aim to deliver clean, maintainable code, contribute proactively to team goals, and continuously learn new technologies. My goal is to take on increasing responsibility and help the organization achieve measurable results through well-designed software solutions.

EDUCATION

MCA (Final Year)
Gurunanak Institute of Technology, MAKAUT — CGPA: 7.95
